Fund Fact File

Executive Summary

This knowledge piece provides a fact file table on three major climate funds:

- The Adaptation Fund,
- The Green Climate Fund and,
- The Global Environmental Facility.

It provides a brief description of each fund, their current pledges, approved and available funds, the appraisal criteria of each organization, their application guidance and so forth.

<p>Description</p>	<p>Finances concrete adaptation projects and programmes in developing countries to reduce the adverse effects of climate change facing communities, countries and sectors</p>	<p>Aims to make an ambitious contribution to attaining the mitigation and adaptation goals of the international community. Over time it is expected to become the main multilateral financing mechanism to support climate action in developing countries</p>	<p>The 6th round of the GEF Trust Fund (GEF-6) provides funding to support the implementation of multilateral environmental agreements, and, in this role, the GEF serves as a financial mechanism of the UN Framework Convention on Climate Change. The GEF also administers the Special Climate Change Fund (SCCF)</p>
<p>Activities funded</p>	<ul style="list-style-type: none"> - Food security - Disaster risk reduction - Agriculture - Water management - Coastal management - Rural development 	<ul style="list-style-type: none"> - Energy access, power generation - Transport - Buildings, cities, industries - Land use, deforestation - Livelihoods of people, communities and regions - Health, food and water security - Climate-resilient infrastructure - Ecosystems and ecosystem services 	<p>GEF-6:</p> <ul style="list-style-type: none"> - Biodiversity - Climate change mitigation - Chemicals and waste - International waters - Land degradation <p>SCCF:</p> <ul style="list-style-type: none"> - Climate change adaptation - Technology transfer
<p>Funding pledged / approved / available</p>	<p>\$482m / \$267m / \$215m</p>	<p>\$10,200m / - / \$10,200m</p>	<p>GEF-6: \$1,203m / \$37m / \$1,166m (\$23m available for Nigeria) SCCF: \$348m / \$297m / \$51m</p>
<p>Project sizes</p>	<p>Small-scale: < \$1m Regular: > \$1m</p>	<p>Micro: < \$10m Small: \$10m - \$50m Medium: \$50m - \$250m Large: > \$250m</p>	<p>Full-size: > \$2m Medium: < \$2m Enabling activities: < \$1m</p>
<p>Next submission deadline</p>	<p>04/08/15</p>	<p>Ongoing (first review planned for 06/15)</p>	<p>31/07/15 (estimated)</p>

<p>Common appraisal criteria</p>	<ul style="list-style-type: none"> - Consistency with national strategies - Economic, social and environmental co-benefits - Cost-effectiveness - Cohesive design - Technical standards - Avoiding duplication of funding - Capacity and experience 		<ul style="list-style-type: none"> - Knowledge management - Financial and risk management - Monitoring and evaluation - Financial viability - Consultation - Sustainability
<p>Individual appraisal criteria / priorities</p>	<ul style="list-style-type: none"> - Contribution to meeting the AF's strategic objectives - Full-cost adaptation 	<ul style="list-style-type: none"> - Contribution to meeting the GCF's strategic objectives - Relative vulnerability and development - Co-financing - Scale up 	<ul style="list-style-type: none"> - Contributing to meeting the GEF's strategic objectives - Global environmental benefits and innovation (not for SCCF) - Incremental costing - Co-financing - Scale up
