

NIAF supported the Public Private Partnership (PPP) unit of the Federal Ministry of Water Resources with:

- ✓ the preparation of the **concession strategy of the dam**
- ✓ an **Outline Business Case**
- ✓ the **concept note** on private sector engagement
- ✓ the **negotiation of the final agreement** with the commercial farmers

## Social impact

Smaller holder farmers get arable land to farm

Reliable water supply all year round

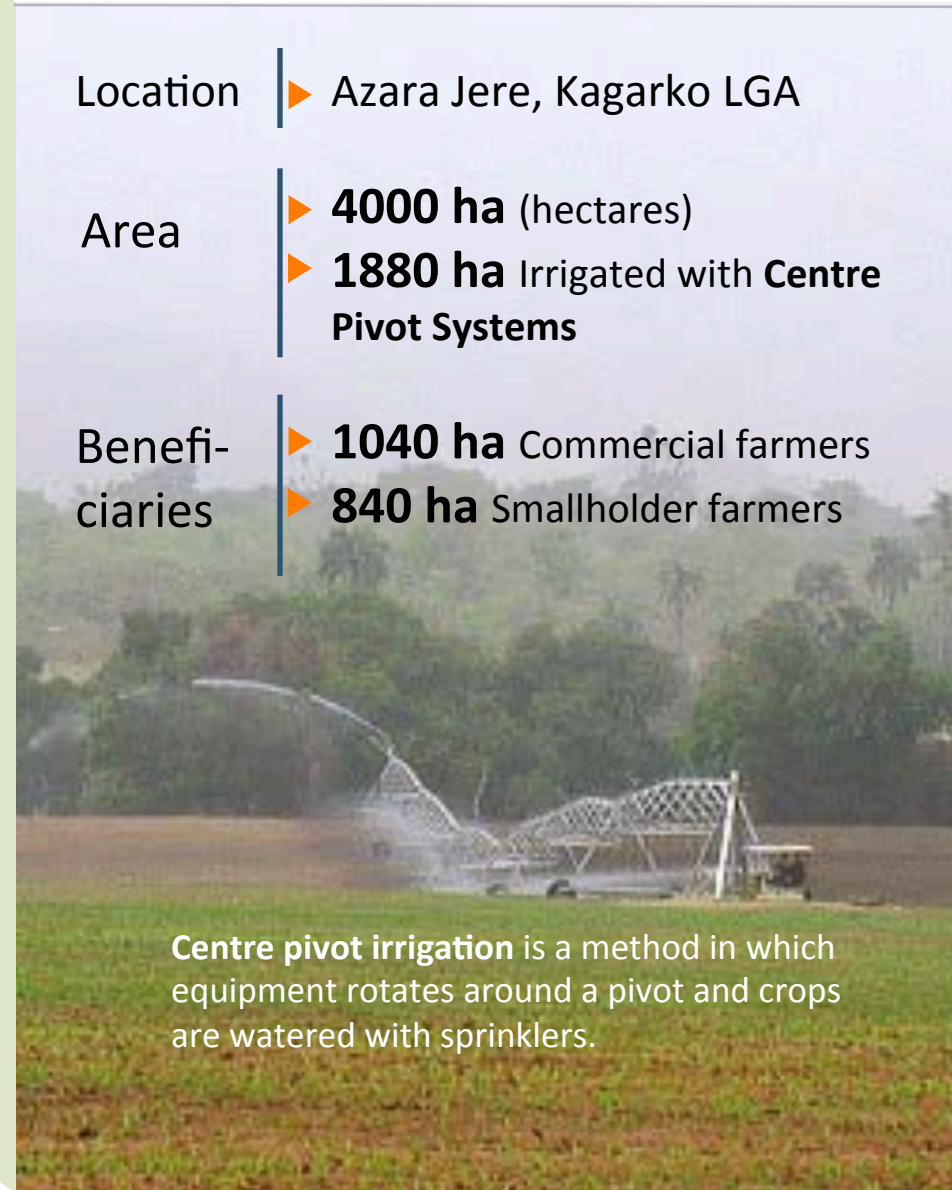

More employment opportunities

Investment opportunities for food processing and other by-products of farm produce

Location	▶ Azara Jere, Kagarko LGA
Area	▶ <b>4000 ha</b> (hectares) ▶ <b>1880 ha</b> Irrigated with <b>Centre Pivot Systems</b>
Beneficiaries	▶ <b>1040 ha</b> Commercial farmers ▶ <b>840 ha</b> Smallholder farmers

**Centre pivot irrigation** is a method in which equipment rotates around a pivot and crops are watered with sprinklers.
